**DARE YOU DO IT?**

There's a wave of indignation  
Rolling 'round and 'round the land  
And its meaning is so mighty  
And its mission is so grand  
That none but knaves and cowards  
Dare deny its just demand  
As we go marching on...

Men and brothers dare you do it?  
Men and brothers dare you do it?  
Men and brothers dare you do it  
As we go marching on

Ye men who wrong your mothers  
And your wives and sisters too  
How dare you rob companions  
Who are always brave and true?  
How dare you make them servants  
Who are all the world to you  
As they go marching on? (CHORUS)

Whence came your foolish notion  
Now so greatly overgrown  
That a woman's sober judgment  
Is not equal to your own?  
Has God ordained that suffrage  
Is a gift to you alone  
While life goes marching on? (CHORUS)

## THE FAIR

CHORUS:

Minnesota, Minnesota  
We are south of Manitoba  
We are east of North Dakota  
We've got something really rare  
It's fulfilling, entertaining  
It's true culture you'll be gaining  
Accept no imitations  
It's the Fair!

*(TAG to final refrain)*

There's deals and demonstrations  
And chicks in incubation  
The whole population's at the Fair!

**COLD, COLD HEART**

I tried so hard, my dear, to show  
That you're my every dream  
Yet you're afraid each thing I do  
Is just some evil scheme  
A memory from your lonesome past  
Keeps us so far apart  
Why can't I free your doubtful mind  
And melt your cold, cold heart?

Another love before my time  
Made your heart sad and blue  
And so my heart is paying now  
For things I didn't do  
In anger, unkind words are said  
That make the teardrops start  
Why can't I free your doubtful mind  
And melt your cold, cold heart?

You'll never know how much it hurts  
To see you sit and cry  
You know you need and want my love  
Yet you're afraid to try  
Why do you run and hide from life?  
To try it just ain't smart  
Why can't I free your doubtful mind  
And melt your cold, cold heart?

There was a time when I believed  
That you belonged to me  
But now I know your heart is  
Shackled to a memory  
The more I learn to care for you

The more we drift apart  
Why can't I free your doubtful mind  
And melt your cold, cold heart?

**HARD DAY'S NIGHT**

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel alright

You know I work all day to get you money to buy you things  
And it's worth it just to hear you say you're gonna give me everything  
So why on earth should I moan, 'cause when I get you alone  
You know I feel okay

When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel alright

*(guitar solo!)* ...So why on earth should I moan  
'cause when I get you alone  
You know I feel okay

When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel alright

**AND I LOVE HER**

I give her all my love, that's all I do  
And if you saw my love, you'd love her too  
I love her

She gives my everything, and tenderly  
The kiss my lover brings, she brings to me  
And I love her

A love like ours could never die  
As long as I have you near me

Bright are the stars that shine, dark is the sky  
I know this love of mine will never die  
And I love her

**RAINDROPS KEEP FALLIN' ON MY HEAD**

Raindrops keep fallin' on my head  
And just like the guy whose feet are too big for his bed  
Nothing seems to fit  
Those raindrops keep fallin' on my head, they keep falling

So I just did me some talking to the sun  
And I said I didn't like the way he got things done  
Sleeping on the job  
Those raindrops keep fallin' on my head  
They keep fallin'

But there's one thing I know:  
The blues they sent to meet me won't defeat me  
It won't be long till happiness  
Steps up to greet me

Raindrops keep fallin' on my head  
But that doesn't mean my eyes will soon be turning red  
Crying's not for me  
'Cause I'm never gonna stop the rain by complaining  
Because I'm free, nothing's worrying me

*(whistle!)*

It won't be long till happiness steps up to greet me

Raindrops keep fallin' on my head  
But that doesn't mean my eyes will soon be turning red  
Crying's not for me  
Cause I'm never gonna stop the rain by complaining  
Because I'm free, nothing's worrying me

**SOUND OF SILENCE**

Hello darkness, my old friend  
I've come to talk with you again  
Because a vision softly creeping  
Left its seeds while I was sleeping  
And the vision that was planted in my brain still remains  
Within the sound of silence

In restless dreams I walked alone  
Narrow streets of cobblestone  
'Neath the halo of a street lamp  
I turn my collar to the cold and damp  
When my eyes were stabbed  
By the flash of a neon light that split the night  
And touched the sound of silence

And in the naked light I saw  
Ten thousand people maybe more  
People talking without speaking  
People hearing without listening  
People writing songs that voices never shared, no one dared  
Disturb the sound of silence

"Fools," said I, "you do not know  
Silence like a cancer grows  
Hear my words that I might teach you  
Take my arms that I might reach you"  
But my words like silent raindrops fell  
And echoed in the wells of silence

And the people bowed and prayed  
To the neon god they made  
And the sign flashed out its warning

In the words that it was forming  
And the sign said:  
The words of the prophets  
Are written on the subway walls and tenement halls  
And whispered in the sound of silence

**QUE SERA SERA**

When I was just a little girl  
I asked my mother, what will I be?  
Will I be pretty?  
Will I be rich?  
Here's what she said to me

Que será, será  
Whatever will be, will be  
The future's not ours to see  
Que será, será  
What will be, will be

When I grew up and fell in love  
I asked my sweetheart, what lies ahead?  
Will we have rainbows  
Day after day?  
Here's what my sweetheart said

Que será, será  
Whatever will be, will be  
The future's not ours to see  
Que será, será  
What will be, will be

Now I have children of my own  
They ask their mother, what will I be?  
Will I be handsome?  
Will I be rich?  
I tell them tenderly (CHORUS)

**WHEN YOU WISH UPON A STAR**

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you

If your heart is in your dream  
No request is too extreme  
When you wish upon a star  
As dreamers do

Fate is kind  
She brings to those who love  
The sweet fulfillment of  
Their secret longing

Like a bolt out of the blue  
Fate steps in and sees you through  
When you wish upon a star  
Your dreams come true

**ON THE STREET WHERE YOU LIVE**

I have often walked down this street before  
But the pavement always stayed beneath my feet before  
All at once am I several stories high  
Knowing I'm on the street where you live

Are there lilac trees in the heart of town?  
Can you hear a lark in any other part of town?  
Does enchantment pour out of every door?  
No it's just on the street where you live

And oh, the towering feeling  
Just to know somehow you are near  
The overpowering feeling  
That any second you may suddenly appear

People stop and stare, they don't bother me  
For there's nowhere else on earth that I would rather be  
Let the time go by, I don't care if I  
Can be here on the street where you live

**CLOSE TO YOU**

Why do birds suddenly appear  
Every time you are near?  
Just like me, they long to be  
Close to you

Why do stars fall down from the sky  
Every time you walk by?  
Just like me, they long to be  
Close to you

On the day that you were born the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair of gold  
And starlight in your eyes of blue

That is why all the girls in town  
Follow you  
All around  
Just like me, they long to be  
Close to you

**IT'S NOW OR NEVER**

It's now or never, come hold me tight  
Kiss me my darling, be mine tonight  
Tomorrow will be too late  
It's now or never, my love won't wait

When I first saw you, with your smile so tender  
My heart was captured, my soul surrendered  
I'd spend a lifetime waiting for the right time  
Now that you're near, the time is here at last  
CHORUS

Just like a willow, we would cry an ocean  
If we lost true love and sweet devotion  
Your lips excite me, let your arms invite me  
For who knows when we'll meet again this way  
CHORUS

**SOMEWHERE (THERE'S A PLACE FOR US)**

There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us, somewhere

There's a time for us  
Someday a time for us  
Time together with time to spare  
Time to learn, time to care

Someday, somewhere  
We'll find a new way of living  
We'll find a way of forgiving  
Somewhere

There's a place for us  
A time and place for us  
Hold my hand and we're halfway there  
Hold my hand and I'll take you there  
Somehow  
Someday  
Somewhere

I'M ON MY WAY**

I'm on my way, and I won't turn back!  
I'm on my way, and I won't turn back!  
I'm on my way, and I won't turn back!  
I'm on my way! Great God, I'm on my way!

I'm gonna ask my brother: Won't you go with me?  
I'm gonna ask my sister: Won't you go with me?  
I'm gonna ask my neighbor: Won't you go with me?  
I'm on my way! Great God, I'm on my way!

If they say no, I'll go alone...  
I'm on my way! Great God, I'm on my way!

I'll ask my boss to let me go...  
I'm on my way! Great God, I'm on my way!

If he says no, I'll go anyhow...  
I'm on my way! Great God, I'm on my way!

I'm on my way, and I won't turn back!...  
I'm on my way! Great God, I'm on my way!
